SSC : 95.20%

PROJECTS

Developed a travel website using html, css and
java-script to enhance design and user
interface [Github link](#)

WORK EXPERIENCE

Data Analytics and Visualization Intern

Accenture

Completed an online internship at Accenture, focusing on data analytics and visualization. Engaged in a simulation advising a hypothetical social media client, where I utilized my skills as a Data Analyst to provide actionable insights and data-driven recommendations. Successfully completed the internship on June 15, 2024, demonstrating proficiency in analytical tools and client advisory. Following is the certificate of the same: [Internship Certificate](#)

Cybersecurity Intern (Online) Goldman Sachs

Finished a virtual internship at Goldman Sachs, gaining crucial cybersecurity knowledge.. Acquired hands-on experience in threat detection, risk assessment, and incident response

Here is the corresponding certificate: [Internship Certificate](#)
